Was only on guard until 10:00
before "A" Co. (2nd JANUARY 8) relieved us.

When I came off on deck, we were
almost at the dock on Belfast. Just
watched them secure the ship. Lot of
strange things here. Right wheel drive
Crows on left side of street. Roberts RR
Coal cars, trailer truck with single wheel
on front and lots of other things.
Ther's come 4 Cigaretts to Smash men on
dock. Talk funny. "Hard" follows in our
Co had apper decides of operation on way
over, ambulance met him at dock. Quay
port, lots of ships & cranes. About first
amercians we saw was an "H"
Crew told us that this was the swiftest
way say that we ever had! They say
that Belfast is 44 wrecked by air raid
Duck fire trap is wanted & we will get returned
if we go there but a personally I exchange that
for me. This is really a great adventure to
be living. We sailed at 4:30. Feels
swell to stand on "Hole" lath again. stood
around for a couple of hrs. if they got on
trains at R.R. station. All the kids following
are looking for candy or gum. Get started
R.R. station had the roof all broken off. Feels
funny to have cars running on left side
of road & cars with steering wheel on
right side of car. Trains smaller. Road
smooth & flat. Moon out but couldn't
see much of the country. Road 2 1/2
hrs. Got off at Port Stewart. Camp about
300 yds. from station. Live in 12x10 type
huts. Ten sheet. ~~Close~~ 17. to a hut.
