No. 186

### WAR DEPARTMENT, WASHINGTON 25, D. C., 11 May 1944.

#### INFANTRY BADGE

1. General.—The present war has demonstrated the importance of highly proficient, tough, hard, and aggressive Infantry, which can be obtained only by developing a high degree of individual all-around proficiency on the part of every infantryman. As a means of attaining the high standards desired and to foster esprit de corps in infantry units, the Expert Infantryman and Combat Infantryman badges are established for infantry personnel.

Eligibility.—The award of the Expert and Combat Infantryman badges
is restricted to officers, warrant officers, and enlisted men assigned to infantry regiments or lower Infantry units, except officers, warrant officers,
and enlisted men of the Medical Department and the Corps of Chaplains.

3. Qualification.—Personnel whose eligibility is established under paragraph 2 may qualify to wear the infantry badges as follows:

a. Expert Infantryman badge.

 By attaining the standards of proficiency established by the War Department, or

(2) By satisfactory performance of duty in action against the enemy.

 b. Combat Infantryman badge.—By exemplary conduct in action against the enemy.

4. Presentation and how worn.—Announcement of the award of Expert Infantryman and Combat Infantryman badges will be made in unit orders and presentation will be made with appropriate ceremony. Badges will be worn as prescribed in section V, AR 600-40, 31 March 1944. Only one of these badges will be worn at a time. The Combat Infantryman badge is the higher award.

5. Award within regiment and unit.—Within a regiment, award may be made by a regimental commander upon the recommendation of a company commander. In any unit not a part of a regiment, the award will be made upon recommendation of the unit commander with the approval of the com-

manding officer of the next higher command.

- 6. Qualifications for unit streamers.—a. When 65 percent of the Tables of Organization strength of a company, battalion, and regiment have been awarded the Expert Infantryman badge or the Combat Infantryman badge, the unit will be entitled to a white streamer with the appropriate title, "Expert Infantry Company, Battalion, or Regiment," or "Combat Infantry Company, Battalion, or Regiment," as the case may be, inscribed in blue letters for the unit guidon, color, or standard as prescribed in AR 260-10, 20 November 1931. A unit once qualified for either or both the Expert or Combat Infantry streamer is entitled to retain such streamer or streamers permanently. A unit qualified for both Expert and Combat Infantry streamers may fly only the Combat Infantry streamer with its unit guidon, color, or standard.
- b. In calculating the percentage mentioned above, only the holders of the Combat Infantryman badge will be considered for the Combat Infantry
- 7. Withdrawal of right to wear badge.—a. The right to wear the badge may be withdrawn only by a commander authorized to make the award, and then only if the individual by his own misconduct incapacitates himself for

## Section II Combat and Special Skill Badges

#### 8-6. Combat Infantryman Badge

- a. For award of the CIB a Soldier must meet the following three requirements:
- (1) Be an infantryman satisfactorily performing infantry duties.
- (2) Assigned to an infantry unit during such time as the unit is engaged in active ground combat.
- (3) Actively participate in such ground combat. Campaign or battle credit alone is not sufficient for award of the CIB.
  - b. The specific eligibility criteria for the CIB require that:
- (1) A Soldier must be an Army infantry or SF officer (SSI 11 or 18) in the grade of COL/O-6 or below, or an Army enlisted Soldier or warrant officer with an infantry or SF MOS who, subsequent to 6 December 1941, has satisfactorily performed duty while assigned or attached as a member of an infantry, ranger, or SF unit of either a brigade, regimental, or smaller size during any period such unit was engaged in active ground combat. Eligibility for SF personnel in MOSs 18B, 18C, 18E, 18F, and 18Z (less 18D–SF medical sergeant) accrues from 20 December 1989. Retroactive awards of the CIB to SF personnel are not authorized prior to 20 December 1989.
- (2) A recipient must be personally present and under hostile fire while serving in an assigned infantry or SF primary duty, in a unit actively engaged in ground combat with the enemy. The unit in question must be a brigade, regiment, or smaller size. For example, personnel possessing an infantry MOS in a rifle squad of a cavalry platoon in a cavalry troop would be eligible for award of the CIB. Battle or campaign participation credit alone is not sufficient; the unit must have been in active ground combat with the enemy during the period.
- (3) Personnel with other than an infantry or SF MOS are not eligible, regardless of the circumstances. The infantry or SF SSI or MOS does not necessarily have to be the Soldier's primary specialty, as long as the Soldier has been properly trained in infantry or SF tactics, possesses the appropriate skill code, and is serving in that specialty when engaged in active ground combat as described above. Commanders are not authorized to make any exceptions to this policy.
- (4) Awards will not be made to general officers or to members of headquarters companies of units larger in size than brigade.
  - (5) On or after 18 September 2001-
- (a) A Soldier must be an Army infantry or SF officer (SSI 11 or 18) in the grade of COL/O-6 or below, or an Army enlisted Soldier or warrant officer with an infantry or SF MOS, who has satisfactorily performed duty while assigned or attached as a member of an infantry, ranger, or SF unit of brigade, regimental, or smaller size during any period such unit was engaged in active ground combat, to close with and destroy the enemy with direct fires.
- (b) A Soldier must be personally present and under fire while serving in an assigned infantry or SF primary duty, in a unit engaged in active ground combat to close with and destroy the enemy with direct fires. Improvised explosive devices vehicle-borne improvised explosive devices, and the like are direct fire weapons. While no fixed, qualifying distance from an explosion of these devices can be established, commanders should consider the entirety of the combat situation when considering award of the CIB.

- (c) Soldiers possessing MOS of 18D (SF medical sergeant) who satisfactorily perform SF duties while assigned or attached to a SF unit of brigade, regimental, or smaller size during any period such unit was engaged in active ground combat may be awarded the CIB. These Soldiers must have been personally present and engaged in active ground combat, to close with and destroy the enemy with direct fires. Retroactive awards under these criteria are not authorized for service prior to 18 September 2001.
- (d) Those Soldiers possessing MOS of 18D who qualify for award of the CMB from 18 September 2001 to 3 June 2005 will remain qualified for the badge. Upon request, any such Soldier may be awarded the CIB instead of the CMB. In such instances, the Soldier must submit a request through the chain of command to Commander, U.S. Army Human Resources Command, Awards and Decorations Branch (AHRC-PDP-A), 1600 Spearhead Division Avenue, Fort Knox, KY 40122–5408 for conversion of the CMB to the CIB.
- (e) Servicemembers from the other U.S. Armed Forces and foreign military (infantry and SF equivalents) assigned or attached as a member of a U.S. Army infantry or SF unit of brigade, regimental, or smaller size may be considered for award of the CIB. All basic requirements as listed above must be met. Retroactive awards under these criteria are not authorized for service prior to 18 September 2001.
- c. The CIB is authorized for award for the following qualifying wars, conflicts, and operations (see para 8-6g on subsequent award of the CIB):
  - (1) World War II (7 December 1941 to 3 September 1945).
  - (2) Korean War (27 June 1950 to 27 July 1953).
- (3) Republic of Vietnam Conflict (2 March 1961 to 28 March 1973) combined with qualifying service in Laos (19 April 1961 to 6 October 1962).
  - (4) Dominican Republic (28 April 1965 to 1 September 1966).
  - (5) Korea on the demilitarized zone (DMZ) (4 January 1969 to 31 March 1994).
  - (6) El Salvador (1 January 1981 to 1 February 1992).
  - (7) Grenada (23 October to 21 November 1983).
  - (8) Joint Security Area, Panmunjom, Korea (23 November 1984).
  - (9) Panama (20 December 1989 to 31 January 1990).
  - (10) SWA Conflict (17 January to 11 April 1991).
  - (11) Somalia (5 June 1993 to 31 March 1994).
  - (12) Afghanistan (OEF, 18 September 2001 to 31 December 2014; OFS, 1 January 2015 to a date to be determined).
  - (13) Iraq (OIF, 19 March 2003 to 31 August 2010; OND, 1 September 2010 to 31 December 2011).
  - (14) OIR (15 June 2015 to a date to be determined).
- d. The special provision authorized for the Global War on Terrorism is listed in this paragraph. The CIB may be awarded to recognize those U.S. Army infantry and SF Soldiers embedded in formed Afghan National Army or Iraqi Infantry and/or SF units, or Iraqi specialized infantry-type units, of brigade, regimental, or smaller size, or assigned as advisors to a foreign infantry and/or SF comparable to the above infantry units, as tactical advisors, trainers, or liaisons, during the time that the supported infantry and/or SF unit engages in active ground combat, to close with and destroy the enemy with direct fires. Qualified Soldiers must have been personally present and participated in the combat operations.
  - e. The special provisions authorized for the Vietnam Conflict, Laos, and Korea on the DMZ are outlined below.
- (1) During the Vietnam Conflict, any officer whose basic branch is other than infantry who, under appropriate orders, commanded a line infantry (other than a headquarters) unit of brigade, regimental, or smaller size for at least 30 consecutive days is deemed to have been detailed in infantry and is eligible for award of the CIB notwithstanding absence of a written directive detailing that Soldier in the infantry, provided all other requirements for the award have been met. Orders directing the officer to assume command will be confirmed, in writing, at the earliest practicable date.
- (a) In addition, any officer, warrant officer, or enlisted Soldier whose branch is other than infantry who, under appropriate orders was assigned to advise a unit listed in paragraphs 8–6e(1)(c) and (d) or was assigned as a member of a White Star Mobile Training Team or a member of Military Advisory and Assistance Group-Laos as indicated in paragraphs 8–6e(2)(a) and (b), will be eligible for award of the CIB provided all other requirements have been met.
- (b) After 1 December 1967 for service in the Republic of Vietnam, NCOs serving as command sergeants major of infantry BNs and brigades for periods of at least 30 consecutive days in a combat zone are eligible for award of the CIB provided all other requirements have been met.
  - (c) Subsequent to 1 March 1961, a Soldier must have been—
- 1. Assigned as advisor to an infantry unit, ranger unit, infantry-type unit of the civil guard of regimental or smaller size, and/or infantry-type unit of the self-defense corps unit of regimental or smaller size of the Vietnamese government during any period such unit was engaged in actual ground combat.
  - 2. Assigned as advisor of an irregular force comparable to the above infantry units under similar conditions.
- 3. Personally present and under fire while serving in an assigned primary duty as a member of a tactical advisory team while the unit participated in ground combat.
  - (d) Subsequent to 24 May 1965, to qualify for the CIB, personnel serving in U.S. units must meet the requirements

of paragraph 8-6b(1). Individuals who performed liaison duties with the Royal Thai Army or the Army of the Republic of Korea combat units in Vietnam are eligible for award of the badge provided they meet all other requirements.

- (2) In Laos from 19 April 1961 to 6 October 1962, a Soldier must have been-
- (a) Assigned as member of a White Star Mobile Training Team while the team was attached to or working with a unit of regimental (groupment mobile) or smaller size of Forces Armee du Royaume, or with irregular-type forces of regimental or smaller size.
- (b) A member of the Military Advisory and Assistance Group-Laos assigned as an advisor to a region or zone of Forces Armee du Royaume, or while serving with irregular-type forces of regimental or smaller size.
  - (c) Personally under hostile fire while assigned as specified in paragraphs 8-6e(2)(a) or (b).
- (3) In Korea on the DMZ. The special requirements for award of the CIB for service in the Republic of Korea are rescinded. Army veterans and Servicemembers who served in Korea on or after 28 July 1953 and meet the criteria for award of the CIB outlined in paragraph 8–6c may submit an application (to include supporting documentation) for award of the CIB to Commander, U.S. Army Human Resources Command, Awards and Decorations Branch (AHRC-PDP-A), 1600 Spearhead Division Avenue, Fort Knox, KY 40122–5408. Retroactive awards under these criteria are not authorized for service prior to 29 July 1953.
- f. Second and third awards of the CIB are indicated by superimposing one and two stars respectively, centered at the top of the badge between the points of the oak wreath. To date, a separate award of the CIB has been authorized for qualified Soldiers in the following qualifying periods:
  - (1) World War II (7 December 1941 to 3 September 1945).
  - (2) Korean War (27 June 1950 to 27 July 1953).
- (3) Republic of Vietnam Conflict. Service in the Republic of Vietnam Conflict (2 March 1961 to 28 March 1973) combined with qualifying service in Laos; Dominican Republic; Korea on the DMZ; El Salvador, Grenada; Joint Security Area, Panmunjom, Korea; Panama; SWA Conflict; and Somalia; regardless of whether a Soldier has served one or multiple tours in any or all of these areas. The Republic of Vietnam Conflict Era officially terminated on 10 March 1995
- (4) Global War on Terrorism (18 September 2001 to a date to be determined) (Afghanistan, OEF and OFS; Iraq, OIF and OND; OIR).
- g. Subsequent awards of the CIB are not authorized for the same qualifying period, as outlined above. The CIB may be awarded as follows:
- (1) Current awards. These may be awarded by HRC, ADB and any commander in the rank of COL/O-6 and above when delegated wartime award approval authority by the SECARMY (or his or her designee). When this authority has not been delegated, recommendations will be submitted through command channels to HRC, ADB for processing.
- (2) Retroactive award of the Combat Infantryman Badge. Retroactive award of the CIB is authorized for time periods specified above for fully qualified individuals. The awards may be awarded by Commander, U.S. Army Human Resources Command, Awards and Decorations Branch (AHRC–PDP–A), 1600 Spearhead Division Avenue, Fort Knox, KY 40122–5408. Applications for retroactive award to active duty Soldiers and RC Soldiers will be forwarded through command channels to the first general officer (for endorsement) to HRC for processing. Retirees and veterans should address their applications to National Personnel Records Center (NPRC), 1 Archives Drive, St. Louis, MO 63138–1002. All ARNG requests, once endorsed, will be submitted to the Director, (ARNG–HRH–A), 111 S. George Mason Drive, Arlington, VA 22204–1373 prior to being submitted to HRC. Such awards will not be made except where evidence of injustice is presented.
- h. The CIB was established by the War Department on 27 October 1943. LTG Lesley J. McNair, then the Army Ground Forces CG, was instrumental in its creation. He originally recommended that it be called the "fighter badge." Then Secretary of War Henry Stimson said, "It is high time we recognize in a personal way the skill and heroism of the American infantry." The CIB was designed to enhance morale and the prestige of the "Queen of Battle." The badge was intended as an inducement for individuals to join the infantry while serving as a morale booster for infantrymen serving in every theater.
- (1) Originally, the regimental commander was the lowest level at which the CIB could be approved and its award was retroactive to 7 December 1941. There was a separate provision for badge holders to receive a \$10 per month pay stipend, which was rescinded in 1948. Several factors led to the creation of the CIB, an award that would provide special recognition of the unique role of the Army infantryman, the only Soldier whose daily mission is to close with and destroy the enemy and to seize and hold terrain. Some of the most prominent factors are as follows:
- (a) The need for large numbers of well-trained infantry to bring about a successful conclusion to the war and the already critical shortage of infantrymen.
- (b) Of all Soldiers, it was recognized that the infantryman continuously operated under the worst conditions and performed a mission that was not assigned to any other Soldier or unit.
- (c) The infantry, a small portion of the total Armed Forces, was suffering the most casualties while receiving the least public recognition.
  - (d) General Marshall's well known affinity for the ground forces Soldier and, in particular, the infantryman.
  - (2) In developing the CIB, the War Department did not dismiss out of hand or ignore the contributions of other
