Dear Mrs. Ozbolt:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

H. FELDMAN

Dear Mr. Osbolt:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,

Dear Mrs. Osbolt:

Your inquiry directed to the War Department has been referred to this office for reply to that part pertaining to the grave location and return of the remains of your son, the late Private First Class Edward Osbolt.

At the outbreak of the war, it became necessary to adopt the policy that the remains of our military personnel who die at stations outside the United States, shall be interred locally until after the cessation of hostilities, and remain buried there until such time as appropriate means become available for their return. A notation has been made on the official records that it is your desire to have the remains of your son returned to the United States, if possible, for final interment. At the proper time, the legal next of kin will be contacted by this office in order to obtain their wishes regarding the final disposition of the remains.

The official report of interment received in this office shows that the remains of your son were interred in United States Military Cemetery, Bloisville, France, Plot C, Row 10, Grave 193. This cemetery is located approximately twenty miles northwest of St. Lo and twenty-four miles southeast of Cherbourg and five miles north and slightly west of Garentan, all in France.

This office regrets, sincerely, the delay in answering your letter and wishes to extend its deepest sympathy in the loss of your son.

FOR THE QUARTERMASTER GENERAL:

Sincerely yours,

ARTHUR L. WANKEN

Mrs. Lattie Osbolt  
14 East Oglethorpe Avenue  
Savannah, Georgia

Dear Mrs. Osbolt:

This refers to your letter of January 7, 1945, regarding personal property belonging to your son, Private First Class Edward C. Osbolt.

Under the 112th Article of War, which governs this Bureau in the disposition of such property, the right of the father to receive personal effects supercedes that of the mother. Accordingly, the property was forwarded to Mr. Isipore C. Osbolt at 120 A-38 Street, Savannah, Georgia on January 16, 1945 and consisted of one package.

The transmittal of such property by this Bureau does not, of itself, vest title in the recipient. The property is forwarded for distribution according to the laws of the state of the soldier's legal residence.

I wish to express my sympathy in the loss of your son.

Yours very truly,

F. A. ERCHARDT
