REMARKS

---

PART A

---

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.

2. An amount not to exceed \$75 is allowed by the Government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.

3. The \$75 maximum allowance by the Government toward interment expenses includes but is not limited to the payment of one or more of the following items: Hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

4. Reimbursement by the Government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

---

PART B

---

1. When the remains are delivered to you at Government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2 below.

2. Reimbursement of transportation expenses is allowed only when the cost to the Government to deliver the remains to you is LESS than what it would have cost the Government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the Government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.

3. Reimbursement by the Government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Dear Mrs. Yonkin:

The records of this office indicate that you had selected burial in the Soldiers' Home National Cemetery, Washington, D.C., for the remains of the late Paul W. Yonkin, Serial No. 36176385, T/5. USAGF.

The experience of this office has indicated that a considerable confusion exists in the minds of the next of kin with respect to the two National Cemeteries in the Washington area. The Soldiers' Home National Cemetery is in the District of Columbia, and is entirely separate from the Arlington National Cemetery which is in Virginia, immediately across the Potomac River. The latter cemetery is the larger and more often requested for the interment of military deceased.

So that you may know that the two cemeteries are separate entities, this letter is being forwarded to your home that you may understand the above situation and, if the two have been confused in your mind, that you may advise us in which one you actually desire the interment.

There is attached an addressed envelope in which you may return your reply and our files will be corrected in accordance with your decision.

Sincerely,

Dear Mrs. Yonkin:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,

Dear Mrs. Yonkin:

The Army Effects Bureau has received from overseas some personal effects of your husband, Technician Fifth Grade Paul W. Yonkin.

I am inclosing a check for \$18.70, representing funds which belonged to him. The remainder of the property, consisting of one billfold with receipt, one New Testament, and one scapular, is being forwarded to you in one package.

If, by any chance, the property has not reached you at the expiration of thirty days from this date, please notify me and tracer action will be instituted.

The action of this Bureau in transmitting personal effects does not, of itself, vest title in the recipient. Such property is forwarded for distribution according to the laws of the state of the soldier's legal residence.

I regret the circumstances prompting this letter and wish to express my sympathy in the loss of your husband.

Yours very truly,

Dear Mrs. Yonkin:

This refers to your letter of July 25 inquiring about the personal effects of your husband, Technician Fifth Grade Paul W. Yonkin.

I regret to report that the Army Effects Bureau has not yet received any property of Technician Yonkin. It seems reasonable to assume that his effects ultimately will reach this Bureau; however, because of transportation delays and other difficulties, the time of arrival here is most uncertain.

It is my intention to forward any of your husband's property to you immediately upon receipt at this Bureau. I ask, therefore, that you please notify us, without fail, in the event there is any change in your address within the next six months.

I wish to express my sincere regret to the circumstances prompting this correspondence.
