Dear Mrs. Tigue:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

H. FELTMAN

Captain F. A. Eckhardt  
Quartermaster Corp,

My son, 2nd Lt. Thomas J. Tighe

had a large suitcase that opened up  
& could be hung on a hook to hold  
excess luggage - that was not returned  
on his dress uniform, class ring,

<sup>(returned)</sup> watch sterling silver medals, 45 Colt  
revolver, that belonged to his father,  
I should like to know why they  
were not returned - also overcoat  
and dress shoes -

Corporal Robert M. Tighe,  
Lt. Tighe's brother was with him  
several times in England, and knew  
he had all these things just  
before the Invasion -

The ring, watch and  
revolver mean a lot to me and  
I should like to have them -

Are the identification tags kept  
by the Government?  
Hoping to hear from you  
at your earliest convenience

I am Respectfully,

Dear Mrs. Tighe:

The Army Effects Bureau has received from overseas some personal effects of your son, Second Lieutenant Thomas J. Tighe.

I am inclosing a check for \$4.48, representing funds which belonged to him.

The remainder of the property is being forwarded in a footlocker and one package and should reach you in the near future. I regret the pipe was received here in a damaged condition; apparently the stem is missing.

When delivery has been made, I shall appreciate your acknowledging receipt by signing one copy of this letter in the space provided, and returning it to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.

The action of this Bureau in transmitting personal effects does not, of itself, vest title in the recipient. Such property is forwarded for distribution according to the laws of the state of the officer's legal residence.

I regret the circumstances prompting this letter, and wish to express my sympathy in the loss of your son.

Yours very truly,
