R E S T R I C T E D

505th Parachute Infantry Regiment

The 505th cleared the ST. SAUVEUR LE VICOMTE Bridgehead to a depth of 3,000 yards of all enemy pockets of resistance, consolidated defensive positions north and west of ST. SAUVEUR LE VICOMTE, and effected passage of the 47th Infantry, 9 Infantry Division, through its lines to continue the attack to the west. The regiment patrolled extensively, rested and reorganized.

507th Parachute Infantry Regiment

The regiment continued to hold defensive positions in the CRETTEVILLE-BAUPTE area and patrolled extensively, concentrating its efforts along the western front. Contact was maintained with adjacent units.

508th Parachute Infantry Regiment

The 1st and 2d Battalions cleared the bridgehead of all enemy resistance south and west of ST. SAUVEUR LE VICOMTE. Company C established a road block and blew the bridge on the ST. SAUVEUR LE VICOMTE - LA HAYE DU PUIS Highway across the PRAIRIES MARECAUSEES. Company A reinforced Company C on 18 June. The 3d Battalion remained in position protecting the north flank of the Division until 18 June when it moved to the bank of the DOUVE River west of ETIENVILLE.

82d Airborne Division Artillery

The 456th Parachute Field Artillery Battalion, reinforced by the 172d Field Artillery Battalion, continued to support the 505th and 508th Parachute Infantry Regiments in the ST. SAUVEUR LE VICOMTE Bridgehead. The remainder of Division Artillery, less the 319th Glider Field Artillery Battalion which supported the 507th Parachute Infantry in the CRETTEVILLE - BAUPTE area, moved back into position north of ETIENVILLE and made preparations to support the attack south of ETIENVILLE across the DOUVE River.

80th Airborne Antiaircraft Battalion

Battery A was attached to the 3d Battalion, 508th Parachute Infantry, and Battery D (.50 caliber MG) moved into position protecting the bridge at ST. SAUVEUR LE VICOMTE. Battery E made preparations to support the attack of the Division south of ETIENVILLE across the DOUVE River.

307th Airborne Engineer Battalion

Company A procured river crossing material and prepared to assist the crossing of the DOUVE River south of ETIENVILLE. The Battalion continued to reconnoiter the DOUVE River.

Attached Troops

Tanks of Company A, 746th Tank Battalion, and armored cars of Company C, 899th Tank Destroyer Battalion, moved into reserve positions and prepared to revert to parent units. Troop B, 4th Cavalry Reconnaissance Squadron, patrolled extensively to the west and north and south, reporting valuable information on enemy movements and dispositions.

Resupply

The last air resupply mission was flown on 18 June when 5,000 Gammon Grenades were landed by C-47 at STE. PIERRE EGLISE.
