2. An amount not to exceed \$75 is allowed by the government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.
3. The \$75 maximum allowance by the government toward interment expenses includes but is not limited to the payment of one or more of the following items: hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.
4. Reimbursement by the government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

EXPLANATION OF PART B - NATIONAL OR POST CEMETERY

1. When the remains are delivered to you at government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2. below.
2. Reimbursement of transportation expenses is allowed only when the cost to the government to deliver the remains to you is LESS than what it would have cost the government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.
3. Reimbursement by the government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.
4. No interment expense allowance is authorized since interment is made in a national or post cemetery.

Remains will be disinterred and shipped to the place (town or city) designated by the legal next of kin at government expense. Existing regulations provide for an allowance not to exceed \$50.00 for expenses incident to interment incurred after remains arrive at the destination designated. Except in those cases where remains are shipped direct to a National Cemetery, a relative will engage the services of the receiving undertaker and be responsible for payment of his bill. Government interment allowance will be paid to the person who assumed such responsibility and instructions concerning application for this allowance will be furnished at the time the remains are shipped home. In those cases where the remains are shipped direct to a national cemetery, the War Department will engage a receiving undertaker at a cost not in excess of \$50.00 and will pay his bill.

This office has noted a change in your address and it is requested that if this is to be your permanent mailing address that this office be advised.

Please accept my sincere sympathy in the loss of your husband.

Attention: Memorial Division

Mrs. Grace M. Lisenby

Los Angeles 6, California

Dear Mrs. Lisenby:

Your letter to The Adjutant General concerning your husband, the late Technician Fifth Grade Walter W. Lisenby, Jr., has been referred to this office.

The official Report of Burial discloses that the remains of your husband were interred in Plot B, Row 8, Grave 158, in the United States Military Cemetery, Bloisville, France, located twenty miles northwest of St. Lo, twenty-four miles southeast of Cherbourg and five miles north and slightly west of Carentan, all in France.

The War Department anticipates that, in the near future, authority will be granted to return at Government expense, the remains of those who died overseas to a final resting place as selected by the next of kin.

When the necessary legislation authorizing this Repatriation Program receives Congressional approval and other required arrangements have been made, a poll letter, with a return form and an information pamphlet attached, will be sent to the next of kin of each deceased serviceman whose remains lie overseas and for whom verified burial information has been received.

Since the problem itself, and the planning and arrangements therefor, are world-wide in scope, the date when the poll letter can be mailed and the date when the answers will be received and can be acted upon is necessarily uncertain. It should be realized, however, that the next of kin will be notified without action on their part as soon as the necessary preliminaries have been completed. You may rest assured that this office fully appreciates your desires in this matter and will do everything in its power to fulfill them at the earliest possible date.

This will acknowledge your letter of July 7, 1944 inquiring about the personal property of your husband, Technician Fifth Grade Walter W. Lisenby.

The Army Effects Bureau has not received Tech. 5th Grade Lisenby's property as yet nor information pertaining to it. All War Department agencies are under instruction to forward the personal effects of military personnel to this Bureau for disposition and it is reasonable to assume that your husband's effects ultimately will be received here. However, due to transportation difficulties, considerable time is required for the receipt of such property from overseas.

Upon receipt here of any of Techn 5th Grade Lisenby's property, you will be notified.

Dear Mrs. Lisenby:

Your letter concerning your son, the late Technician Fifth Grade Walter W. Lisenby, Jr. has been received in this office.

The official Report of Burial discloses that the remains of your son were interred in Plot B, Row 8, Grave 158, in the United States Military Cemetery, Bloisville, France, located twenty miles northwest of St. Lo, twenty-four miles southeast of Cherbourg and five miles north and slightly west of Carantan, all in France.

The War Department anticipates that, in the near future, authority will be granted to return at Government expense, the remains of those who died overseas to a final resting place as selected by the next of kin.

When the necessary legislation authorizing this Repatriation Program receives Congressional approval and other required arrangements have been made, a poll letter, with a return form and an information pamphlet attached, will be sent to the next of kin of each deceased serviceman whose remains lie overseas and for whom verified burial information has been received.

Since the problem itself, and the planning and arrangements therefor, are world-wide in scope, the date when the poll letter can be mailed and the date when the answers will be received and can be acted upon is necessarily uncertain. It should be realized, however, that the next of kin will be notified without action on their part as soon as the necessary preliminaries have been completed. You may rest assured that this office fully appreciates your desires in this matter and will do everything in its power to fulfill them at the earliest possible date.
