Mr. Earl M. Bailey

Dear Mr. Bailey:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

H. FELDMAN

Dear Mr. Bailey:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. The War Department is most desirous that you be furnished the latest information regarding the burial location of your son, the late Corporal George R. Bailey, A.S.N. 11 070 500.

The records of this office disclose that his remains were originally interred in a temporary cemetery established near the place where he met his death, but were later moved to a more suitable site where constant care of the grave can be assured by our Forces in the field.

The records further disclose that his remains are now interred in the U. S. Military Cemetery Bloisville, plot 1, row 1, grave 17, located twenty-five miles southeast of Cherbourg, France.

The War Department has now been authorized to comply, at Government expense, with the feasible wishes of the next of kin regarding final interment, here or abroad, of the remains of your loved one. At a later date, this office will, without any action on your part, provide the next of kin with full information and solicit his detailed desires.

Please accept my sincere sympathy in your great loss.

Sincerely yours,

T. B. LARKIN
