Dear Mrs. Kroeker:

Your letter pertaining to the remains of your husband, the late Private First Class Arthur H. Kroeker, has come to my attention.

With sincere regret, I must inform you that it is not possible to fulfill your understandable desire to have the remains of your husband buried in the Meuse-Argonne, Cemetery.

This European Cemetery was established as a "Field of Honor" a permanent shrine to the memory of those Americans who died in Europe during World War I, and is dedicated in grateful remembrance of their sacrifice. It was planned as to size, design and construction for their burial, and when these were completed, it was closed to future interments and placed under the care of the American Battle Monuments Commission.

World War II Dead will be similarly honored with equally beautiful, stately cemeteries in Europe.

The American Military Cemetery at St. Laurent, France has been dedicated as a permanent memorial to the heroic dead of World War II now temporarily resting at Hiosville, France.

However, if you prefer that his remains be buried in a National Cemetery in the United States, please make your selection from the list of cemeteries having grave space still available.

Please complete and return the "Request for Disposition of Remains" form at your earliest convenience in order that official action may be taken to comply with your desires.

Sincerely yours,

RICHARD B. COOMBS

QUARTERMASTER GENERAL

Mrs. P. P. Kroeker,
91 Friesen Avenue,
Reedley, California.

Dear Mrs. Kroeker:

I have a copy of your letter of 31 July 1944, which was referred to this office by The Adjutant General for reply to your inquiry concerning the personal effects of your son, Private First Class Arthur H. Kroeker.

The Effects Quartermaster, Army Effects Bureau, Kansas City Quartermaster Depot, 601 Hardesty Avenue, Kansas City, 1, Missouri, has jurisdiction over the disposal of the personal effects of our deceased military personnel for shipment to the properly designated person, and I am referring a copy of your letter to that Bureau for appropriate action.

The effects are cared for by the military authorities serving overseas until such time as it is practicable to make shipment. It sometimes takes a matter of months before the effects reach this country due to distances and lack of suitable transportation facilities. If a reply is not received within a reasonable length of time this office should be advised.

Please accept my deepest sympathy in the loss of your son.

For The Quartermaster General:

Sincerely yours,

MAYO A. DARLING,

Dear Mrs. Kroeker:

This is in reply to your letter of 31 July requesting information relative to your son, the late Private First Class Arthur H. Kroeker, 39,697,770.

Your desire to learn more concerning his death is fully understood. No detail was supplied in the original casualty message stating that he was killed in action in France on 7 June 1944. Great care is exercised to insure positive identification before military authorities in the several theaters of operations forward the reports to this office. Combat conditions and the extraordinary volume of correspondence require that communications be reduced to facts, without detailed description.

The chaplains and commanding officers are undoubtedly very desirous of communicating with the relatives of deceased personnel but due to war conditions, unavoidable delays and unforeseen circumstances, they are often unable to promptly write letters.

A copy of your letter has been referred to The Quartermaster General, Washington 25, D. C. to whom the personal effects of your son are returned and you will be advised by him at an early date about Private Kroeker's property.

May I extend to you my sympathy in your bereavement.

Sincerely yours,

Dear Mrs. Kroeker:

I have your letter of July 31, 1944, regarding the personal property of your son, Private First Class Arthur H. Kroeker, which was forwarded to this Bureau from Washington.

As yet the Army Effects Bureau has not received any property belonging to your son.

All War Department agencies are under instruction to forward the personal property of military personnel to the Army Effects Bureau for disposition, and it is reasonable to assume that his property ultimately will be received here; however, because of transportation difficulties, considerable time may elapse before the shipment arrives here.

You are assured that upon receipt of any of your son's property, prompt disposition will be made.

Yours very truly,

Dear Mrs. Kroeker:

I have a copy of your letter of 31 July 1944, which was referred to this office by The Adjutant General for reply to your inquiry concerning the personal effects of your son, Private First Class Arthur H. Kroeker.

The Effects Quartermaster, Army Effects Bureau, Kansas City Quartermaster Depot, 601 Hardesty Avenue, Kansas City, 1, Missouri, has jurisdiction over the disposal of the personal effects of our deceased military personnel for shipment to the properly designated person, and I am referring a copy of your letter to that Bureau for appropriate action.

The effects are cared for by the military authorities serving overseas until such time as it is practicable to make shipment. It sometimes takes a matter of months before the effects reach this country due to distances and lack of suitable transportation facilities. If a reply is not received within a reasonable length of time this office should be advised.

Please accept my deepest sympathy in the loss of your son.

For The Quartermaster General:

Sincerely yours,

MAYO A. DARLING,
Lt. Colonel, Q.M.C.,
Assistant.
