Dear Mrs. Potter:

This is to inform you that the remains of your loved ones have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstones. The headstones will be inscribed with the names exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the names to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

H. FELDMAN

Dear Mrs. Potter:

Reference is made to the "Request for Disposition of Remains" forms regarding the final interment of the remains of your sons, the late First Lieutenant Joseph A. Carson and First Lieutenant Samuel K. Carson.

Dear Sir:

In reply to your letter of December 4:

In view of the apparent difficulties attending cremation of the remains, as per my wife's original option, she has changed her mind and wishes now to select OPTION 1 : i.e. interment of the remains in a permanent American Military cemetery overseas.

She has therefore changed the attached "Request for Disposition of Remains" and indicated her choice for Option 1.

Very truly yours,
Lloyd G. Potter

Dear Mrs. Potter:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,

Incls.

Dear Mr. Potter:

Reference is made to your recent letter requesting information relative to your step-son, the late First Lieutenant Joseph A. Carson.

Your desire to learn further information regarding the circumstances leading to your step-son's death is fully understood and I wish I were able to furnish particulars which might be of some consolation. The official message from the Commanding General of the European Area stated only that Lieutenant Carson was killed in action on 23 June 1944 in France and the subsequent report stated that he was killed in action on 21 June instead of 23 June, as previously reported.

A copy of your letter has been referred to the Quartermaster General, Washington 25, D. C., since that official has jurisdiction over matters pertaining to burial.

May I extend my deepest sympathy to you and your wife in the great loss you have sustained.

My stepson, Lt. Joseph A. Carson O-1287476, was reported by your office as killed in action on 21 June 1944 in France.

His mother is most anxious to have any of the details of his death, having heard nothing up to this time. She would, I think, at least like to know where her son is buried.
