EXPLANATION OF PART A - CIVILIAN OR PRIVATE CEMETERY

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.

2. An amount not to exceed \$75 is allowed by the government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.

3. The \$75 maximum allowance by the government toward interment expenses includes but is not limited to the payment of one or more of the following items: hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

4. Reimbursement by the government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

EXPLANATION OF PART B - NATIONAL OR POST CEMETERY

1. When the remains are delivered to you at government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2, below.

2. Reimbursement of transportation expenses is allowed only when the cost to the government to deliver the remains to you is LESS than what it would have cost the government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.

3. Reimbursement by the government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Mrs. Emma Snyder,
106 Walts Drive,
Barberton, Ohio.

Dear Mrs. Snyder:

Acknowledgment is made of your letter of recent date, requesting information concerning your son, the late Sergeant Carl R. Snyder.

I regret to have to advise you that this office has received no information, up to the present time, as to the burial place of your son. Due to existing conditions it sometimes takes months before reports of this nature are received in this office. However, you may be assured that as soon as this information is received, you will be advised of the particulars, if security regulations permit.

Please be advised that it is contemplated after the war, to return our honored dead to their homeland for final interment, if possible. This office will, upon termination of the war, inquire regarding the legal next of kins' wishes as to the final disposition of the remains. Steps will be taken at that time to prepare and ship the remains at Government expense to the place thus designated.

Your desire to have your late son returned, if possible, has been noted in the records of this office. You may be assured that when hostilities cease, this office will endeavor to comply with your request and further inform the legal next of kin at that time.

In compliance with your request, copies of your letter have been forwarded to The Adjutant General, Washington, D. Dear Mrs. Snyder:

This refers to your letter of August 22, inquiring about the personal effects of your son, Sergeant Carl H. Snyder.

I regret to report that the Army Effects Bureau has not yet received any property of Sergeant Snyder. It is reasonable to assume that his effects ultimately will reach this Bureau; however, because of transportation delays and other difficulties, the time of arrival here is most uncertain.

It is suggested, however, that you furnish us with certain information regarding Sergeant Snyder's family, in order that his personal effects may be shipped promptly upon receipt here; also that you notify us, without fail, in the event there is any change in your address within the next six months.

I would like to know whether your son was married and, if so, the name and address of his widow; also the name and address of his father, if he is living. If Sergeant Snyder left a Will which has been probated, the original or a certified copy of the Letters Testamentary should be sent here for inspection. Any original papers that you send us will be returned promptly.

For your convenience in replying, there is inclosed a self-addressed envelope which needs no postage.

Dear Mrs. Snyder:

Acknowledgment is made of your letter of recent date, requesting information concerning your son, the late Sergeant Carl R. Snyder.

I regret to have to advise you that this office has received no information, up to the present time, as to the burial place of your son. Due to existing conditions it sometimes takes months before reports of this nature are received in this office. However, you may be assured that as soon as this information is received, you will be advised of the particulars, if security regulations permit.
