AND QMC FORM R-5066, WHICH ARE OBSOLETE.

EXPLANATION OF PART A - CIVILIAN OR PRIVATE CEMETERY

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.
2. An amount not to exceed \$75 is allowed by the government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.
3. The \$75 maximum allowance by the government toward interment expenses includes but is not limited to the payment of one or more of the following items: hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.
4. Reimbursement by the government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

EXPLANATION OF PART B - NATIONAL OR POST CEMETERY

1. When the remains are delivered to you at government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2. below.
2. Reimbursement of transportation expenses is allowed only when the cost to the government to deliver the remains to you is LESS than what it would have cost the government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.
3. Reimbursement by the government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.
4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Dear Mr. Everett:

Your letter pertaining to the remains of your son, the late Private William R. Everett, has come to my attention.

The "Request for Disposition of Remains" forms pertaining to the United States Military Cemetery at Bloisville, France where the remains of your son are now buried has not yet been mailed to the next of kin of the heroic dead.

The Return of World War II Dead Program provides for the return of the deceased to their next of kin in a predetermined scheduled sequence of the cemeteries in which they are now buried. Efficient and rapid accomplishment of this tremendous program requires not only close adherence to mailing schedules for the Disposition Forms made in agreement with the scheduled cemetery sequence but also accurate verification of all vital records of every decedent prior to the mailing of the Disposition Form. When verification for each cemetery is completed the Forms are mailed well in advance of the scheduled processing of the cemetery.

The present mailing schedule indicates that you should receive your Disposition Form about the early part of 1948.

I fully understand your natural anxiety and impatience, and assure you that you will receive your Disposition Form in ample time for complete, satisfactory expression and fulfillment of your desires for the final disposition of your beloved son.

Sincerely yours,

RICHARD B. COOMBS

QUARTERMASTER GENERAL.

Mr. and Mrs. William G. Everett,
R.R. #2, Box 77,
Berkeley Springs,
West Virginia

Dear Mr. and Mrs. Everett:

Your letter addressed to Major General J. A. Ulio,
has been referred to this office for necessary action relative
to the return of the remains of your late son Private First Class
William R. Everett to the United States for final interment.

At the outbreak of the war it became necessary to adopt
the policy that the remains of our deceased military personnel who
die outside the United States shall be interred locally and no re-
mains will be returned to the United States until after the war.
A notation has been made on the official records of this office
that it is your desire to have the remains of your son returned, if
possible, to the United States for final interment after the war.
At the proper time the legal next of kin will be requested to advise
this office of the desired place of final shipment. Steps will be
taken at that time to prepare and ship the remains to the place thus
designated. The expense incident thereto will be borne by the Govern-
ment.

May I extend to you my deepest sympathy in the loss of
your son.

For The Quartermaster General:

Sincerely yours,

MAYO A. DARLING,
Lt. Colonel, Q.M.C.,
Assistant.

Dear Mr. and Mrs. Everett: *MO.*

This refers to your letter of July 10, inquiring about the personal effects of your son, Private First Class William R. Everett.

I regret to report that the Army Effects Bureau has not yet received any property of Private Everett. It is reasonable to assume that his effects ultimately will reach this Bureau; however, because of transportation delays and other difficulties, the time of arrival here is most uncertain.

It is suggested, nevertheless, that you furnish us with certain information regarding Private Everett's family, in order that his personal effects may be shipped promptly upon receipt here--also that you notify us, without fail, in the event there is any change in your address within the next six months.

I would like to know whether your son was married and, if so, the name and address of his widow. If Private Everett left a Will which has been probated, the original or a certified copy of the Letters Testamentary should be sent here for inspection. Any original papers that you send us will be returned promptly.

For your convenience in replying, there is inclosed a self-addressed envelope which needs no postage.

Yours very truly,
