Dear Sir:

I am the father of Pvt. Robert D. Reed, AGPC-9, 35874849. Early last July we had a telegram that Robert had been killed in action June 28, 1944.

We waited 9 months for details. On March 2nd his widow received a letter from the Adjutant General's office stating that Robert had been killed instantly on June 28th 1944. I have been told by an army Chaplain that we should have had a letter from his Chaplain or CO, giving all details, his personal effects, his tag and a picture of the grave. Why haven't we had this? Certainly the distress is great enough without not knowing where our boy is buried. It seems to me somebody has been very lax in their duty.

So I beg of you if you have any information concerning this sad blow you will forward it immediately.

Sincerely yours,

Wilbur Reed

Dear Mr. Reed:

Your letter concerning your son, the late Private Robert D. Reed, has been received in this office.

As soon as the necessary approval is granted, it is anticipated that the repatriation program will be effected, and at that time the War Department, through this office, will contact the legal next of kin for the necessary information concerning the return of the remains of your son.

Inasmuch as the records of this office indicate that the legal next of kin of the late Private Reed is his widow, this office must recognize her right to determine the final resting place of his remains. However, it is suggested that at the time of repatriation you be prepared to forward to this office a copy of her marriage certificate or other proper proof of her remarriage. The records of this office will then be amended to show the next in line of blood relationship as the person authorized to determine his final resting place.

This office regrets, sincerely, the delay in answering your letter.
