Dear Mrs. Forney:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, the central address of which is Room 713, 1712 "G" Street, N. W., Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interment activities are in progress, the cemetery will not be open to visitors. However, upon completion thereof, due notice will be carried by the press.

You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

Dear Mrs. Forney:

Your letter of recent date has been forwarded to this office for necessary action in connection with the personal effects and burial of your son, the late Private Llywllyn G. Forney.

It may be of some comfort to you to know that the remains of your son were reverently and properly interred in one of our well established United States Military Cemeteries in the area in which he was serving, with a Protestant ceremony conducted at the grave by an Army Chaplain. The cemetery is well cared for and under immediate supervision of our military authorities. A temporary marker, with a fitting inscription thereon, has been erected, and the grave properly recorded. Due to security regulations the geographical location cannot be disclosed at this time.

A copy of your letter has been forwarded to the Effects Quartermaster, Army Effects Bureau, Kansas City Quartermaster Depot, 601 Hardesty Avenue, Kansas City 1, Missouri, for reply to you. That office has jurisdiction over the disposal of the personal effects of our military personnel outside the United States. However, considerable time is often necessary to process these personal belongings back to this country due to the lack of shipping space and the great amount of work involved.

Please accept my sincere sympathy and condolence in the loss of your son.

For The Quartermaster General:

Sincerely yours,

Dear Sir:

I am writing to you in regard of Private Llywllyn G. Forney whose Army serial number was 12082123. He was killed in action on October 10, 1943 in the North African area. It has been almost a year now and as yet I haven't received his personal belongings. I have been wondering if you could possibly tell me if they were destroyed or if you could get them somehow and send them to me as they are very valuable to me.

Could you possibly tell me how my son was killed and where his body is buried. He was a full fledged Paratrooper and was in the 82nd Airborne Division. A.P.O. #469.

It seems very strange to me that I haven't received his personal belongings and been notified where he was buried as a Mrs. John Kick of Port Byron, New York whose son was also a Paratrooper was in the same company and same regiment as my boy and he too was killed on October 10, 1943. She has received his personal belongings and been notified where her son was buried.

If you could please let me know where he is buried so that maybe some day after the war I could go to the place where my son is buried.

Please answer these questions if you can and I will be very thankful. Let me hear from you as soon as you can.

Yours truly,

/s/ Mrs. Catherine L. Forney

Dear Sir:

I am writing to you in regard to Private Llywllyn G. Forney whose Army serial number was 12082123. He was killed in action on October 10, 1943 in the North African area. It has been ~~xxx~~ almost a year now and as yet I havent received his personal belongings. I have been wondering if you could possibly tell me if they were destroyed or if you could get them somehow and send them to me as they are very valuable to me.

Could you possibly tell me how my son was killed and where his body is buried. He was a full fledged paratrooper and was in the 82nd Airborne Division. APO #469.

It seems very strange to me that I havent received his personal belongings and been notified where he was buried as a Mrs. John Kick of Port Byron, New York whose son was also a Paratrooper was in the same and company and same regiment as my boy and he too ewas killed on October 10, 1944. She has received his personal belongings and been notified where her son was buried.

If your could please let me know where he is buried so that maybe some day after the war I could go to the place where my son is buried.

Please answer these questions if your can and I will be very thankful Let me hear from you as soon as you can.

Yours truly,

Mrs. Catherine L. Forney,

Address Reply to THE  
QUARTERMASTER GENERAL.

16 November 1944.

Mrs. Catherine L. Forney,  
R.F.D. #4,  
Lowville, New York.

Dear Mrs. Forney:

Your letter of recent date has been forwarded to this office for necessary action in connection with the personal effects and burial of your son, the late Private Llywllyn G. Forney.

It may be of some comfort to you to know that the remains of your son were reverently and properly interred in one of our well established United States Military Cemeteries in the area in which he was serving, with a Protestant ceremony conducted at the grave by an Army Chaplain. The cemetery is well cared for and under immediate supervision of our military authorities. A temporary marker, with a fitting inscription thereon, has been erected, and the grave properly recorded. Due to security regulations the geographical location cannot be disclosed at this time.

A copy of your letter has been forwarded to the Effects Quartermaster, Army Effects Bureau, Kansas City Quartermaster Depot, 601 Hardesty Avenue, Kansas City 1, Missouri, for reply to you. That office has jurisdiction over the disposal of the personal effects of our military personnel outside the United States. However, considerable time is often necessary to process these personal belongings back to this country due to the lack of shipping space and the great amount of work involved.

Please accept my sincere sympathy and condolence in the loss of your son.

For The Quartermaster General:

Sincerely yours,

MAYO A. DARLING,

Assistant.

Dear Mrs. Forney:

This will have reference to your letter of April 4 inquiring about the personal property which belonged to your son, Private Llywlyn G. Forney.

The Army Effects Bureau has not received any property of Private Forney. All War Department agencies overseas are under instruction to forward the personal property of military personnel to this Bureau for disposition, and it is reasonable to assume that your son's belongings ultimately will be received here; however, because of transportation difficulties, considerable time is required for the return of such property from overseas stations.

For information concerning any property Private Forney might have left at Fort Bragg, it is suggested you direct an inquiry to the Commanding Officer at Fort Bragg, North Carolina.

Your letter has been permanently recorded; and if any effects belonging to your son are received, you will be notified.

Yours very truly,
