REPLACES WD AGO FORM R-5507, QMC FORM R-5046 AND QMC FORM R-5066, WHICH ARE OBSOLETE.

EXPLANATION OF PART A - CIVILIAN OR PRIVATE CEMETERY

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.

2. An amount not to exceed \$75 is allowed by the government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.

3. The \$75 maximum allowance by the government toward interment expenses includes but is not limited to the payment of one or more of the following items: hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

4. Reimbursement by the government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

EXPLANATION OF PART B - NATIONAL OR POST CEMETERY

1. When the remains are delivered to you at government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2. below.

2. Reimbursement of transportation expenses is allowed only when the cost to the government to deliver the remains to you is LESS than what it would have cost the government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.

3. Reimbursement by the government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Address Reply To THE
QUARTERMASTER GENERAL.

Mrs. Laura G. McCardle,
Route # 3,
Richton, Miss. % D.G. Morgan.

Dear Mrs. McCardle:

Your letter of recent date to The Adjutant General's Office requesting information concerning your husband, the late Pfo. A. M. McCardle, has been forwarded to this office for necessary reply.

You are advised that the expenses incident to the return, after the cessation of hostilities, of the remains of our deceased military personnel interred outside the continental limits of the United States will be borne by the War Department. The Quartermaster General will, at the proper time, request the legal next of kin to advise this office of the desired location of the place of final shipment of the remains of the deceased. Steps will be taken at that time, if possible, to prepare the remains and ship them to the place thus designated.

It may be a comfort to you, to know that a report has now been received stating that your husband's remains were temporarily interred in one of our well established military cemeteries in the area in which your husband was serving, with an appropriate ceremony conducted by an Army Chaplain at the grave. A temporary marker has been erected and the grave properly marked, so that future identification can be easily made, when these remains are returned, if possible, to the United States for final interment.

With reference to your question regarding your husband's personal effects, please be advised that the effects are removed from the remains before interment is made and properly packed and shipped to the Effects Quartermaster, Army Effects Bureau, Kansas City Quartermaster Depot, 601 Hardesty Ave., Kansas City, 1, Mo. for shipment to the legal next of kin. In view of the fact that this Bureau has been designated to receive the personal effects of deceased military personnel outside the continental limits of the United States and the shipping thereof, your letter has been forwarded to that office for further action.

May I extend to you my deepest sympathy in your bereavement.

For The Quartermaster General.

Sincerely yours,

R. P. HARBOLD,

Dear Mr. Dunlap:

In reference to my husband Pvt. First Class A. M. McCardle, S.N.
14,097,569, A. G. 201, Pc-N 313034 who was killed in Italy Oct. 10.

I would like to know if, when his body has been brought ~~back~~ here, the
Government will take care of burial or if that will be to me. As I
have had a burial insurance paid up for him until now. I would like
for you to please let me know soon how things will go.

About his personal things he had on him at time of death. Will they,
or can they, be sent back to me or were they buried with him?

Please answer these things for me and any other information you can
give in such a case would surely be appreciated.

Respectively

Mrs. Laura G. McCardle.
