- 2. An amount not to exceed \$75 is allowed by the Government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.
- 3. The \$75 maximum allowance by the Government toward interment expenses includes but is not limited to the payment of one or more of the following items: Hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

- 2. Reimbursement of transportation expenses is allowed only when the cost to the Government to deliver the remains to you is LESS than what it would have cost the Government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the Government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.
- 3. Reimbursement by the Government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Address Reply To THE QUARTERMASTER GENERAL.

Mr. and Mrs. George Ratliff, Harold, Kentucky.

Dear Mr. and Mrs. Ratliff:

Your letter of recent date addressed to The Honorable Albert Chandler, requesting information concerning your son, the late T/5th Gr. Russell O. Ratliff, has been forwarded to this this office for necessary reply to so much thereof as pertains to the burial location.

Your desire for information concerning the burial place of your son is fully understood and I sincerely regret that security regulations will not permit, at the present time, more than meager information to be furnished, however, you may be assured that the remains of your son were interred with the utmost respect and reverence in a temporary military cemetery at place of death, with an appropriate ceremony conducted by an Army Chaplain. As soon as military regulations will permit the exact location and grave number to be disclosed, you will be further advised.

My heartfelt sympathy is with both you and your wife in your sorrow, and may you come to find much comfort in the knowledge that your son's unselfish and gallant service has earned for him a lasting place in the grateful memory of our country.

For The Quarternaster General.

Sincerely yours,
