13 May 1948

Mr. Metro Vastyshak
149 1/2 Green Street
Allentown, Pennsylvania

Dear Mr. Vastyshak:

We have received the form, "Request for Disposition of Remains", in regard to the final interment of the remains of your son, the late Private First Class Joseph Vastyshak.

Unfortunately, the National Cemetery at Germantown, Pennsylvania, which you have designated as the final resting place of your son, is now closed to additional burials. No grave space remains available. Neither is there grave space available in the Gettysburg National Cemetery, Gettysburg, Pennsylvania.

The nearest National Cemetery in which grave space is still available is the Beverly National Cemetery, Beverly, New Jersey. The next nearest is the Woodlawn National Cemetery, Elmira, New York. Either of these cemeteries, or any other National Cemetery may be selected for the final repose of the remains of your son.

It is therefore requested that you draw a line through the information entered in Option 4, on the inclosed Disposition form, and put the name and location of the National Cemetery which you now select for the final resting place of the remains of your son immediately above the incorrect entry. If you desire to select a new Option, merely draw a line through Option 4 and place a check in the block beside the new Option chosen.

Please return the Disposition form to this office at the earliest possible date.

Sincerely yours,

RICHARD B. COOMBS

Gentlemen, *J.W.* IMMEDIATE ACTION

I received a letter several months ago saying that if my brother's personal effects wouldn't come, that I should write to the Quartermaster General in Washington. But in the meantime I inquired at the Red Cross and they referred me to this address.

I'd like to call your attention to the fact that it is more than a year since we've received news of our loss and we hadn't received any of his personal things. I'd like to know if any thing was sent to the Depot and of course we'd like to have it.

My brother's address was
