Dear Mrs. Reese:

I refer to your letter addressed to the Adjutant General, Washington, D. C., requesting information concerning the death and burial of your son, Technician Fifth Grade Richard E. Reese, Army serial number 39 826 674.

The casualty message received from the Commanding General of the European Theater of Operations stated only that Technician Reese, Infantry, was killed in action in France on 11 June 1944, the date he was previously reported missing. I fully understand your desire to learn further details concerning his death and wish there were more information to give you. I regret, however, that nothing additional has been received since that message.

The Quartermaster General of the Army, Washington, 25, D. C., has jurisdiction over matters pertaining to the burial of our military personnel who die overseas. A copy of your letter has been referred to that office for necessary action.

May I extend my sympathy.
