Dear Mrs Dunn:

This is in response to your letter of June 1, 1984, requesting information pertaining to Corporal Elmer Q. Siddall.

We have requested and received from the records holding area the deceased file of Corporal Siddall. Deceased files seldom contain the circumstances of death, however, we have extracted the following information.

Siddall, Elmer Q., Corporal, 12025255, was killed in action June 6, 1944 in the European area. His remains were recovered and temporarily interred in Plot E, Row 4, Grave 67 of the US Military Cemetery Blosville, France. At the direction of his mother, Mrs Margaret V. Siddall, Route 3, Moravia, New York, Corporal Siddall's remains were repatriated to the Indian Mound Cemetery, Moravia, New York in May 1948.

I trust this information will assist you.

Dear Mrs. Siddall:

Your letter pertaining to the remains of your son, the late Corporal Elmer Q. Siddall, has come to my attention.

The official report of burial received in this office indicates that the remains of your son were identified by means of his identification tags. Identification tags found on the remains are considered as a positive means of identification provided no contradictory evidence is found.

You may rest assured that the Department of the Army has employed every possible means to establish the identification of the remains of your son, definitely and positively. No effort is considered to be too great, and meticulous attention has been given to the smallest detail.

When your son's remains are disinterred a check will be made for personal effects and if any are recovered, they will be forwarded to you.

Sincerely yours,

Dear Sir:

I am sorry the enclosed paper was somewhat delayed owing to the fact that it was necessary to get in touch with other members of the family before deciding what was the best thing to do. I trust this has not caused any inconvenience.

Inasmuch as all evidence will again be examined at reburial I have included some identification marks that might be helpful in identifying my son. If it is possible, I would appreciate it if I could have some little token of identification, as I have never received anything that was found on the person of my son when he was killed, whereas other mothers of my acquaintance have received such assurance.

Very sincerely yours,

Margaret V. Siddall

Dear Mrs. Siddall:

Your letter in which you request information concerning your son, the late Corporal Elmer Q. Siddall, has been referred to this office for reply.

The official report of interment received in this office reveals that the remains of your son were interred in the U.S. Military Cemetery, Bloisville, France, Plot E, Row 4, Grave 67. Dear Mrs. Siddall:

This is in reply to your recent letter relative to your son, Corporal Elmer Q. Siddall, who was killed in action on 6 June 1944 in France.

I can fully understand your desire to receive a detailed account of the circumstances surrounding his death and regret that you have not received a communication from overseas containing this information. I am forwarding your letter to the commanding general of the unit in which he was serving at the time of his death requesting that the desired letter be transmitted to you.

I feel confident you realize the magnitude of the task to prepare, assemble, and verify all available information in each case and the variations of time required but I wish to assure you that our commanders make every effort to dispatch these letters as expeditiously as possible.

Copies of your letter have been forwarded to Quartermaster General, Washington 25, D. C., concerning the burial of your son and Office of Special Settlement Accounts, 27 Pine Street, New York 5, New York, relative to his pay for direct reply to you.

It is hoped that the information you so earnestly desire will soon be forthcoming and that it will be a source of sustaining comfort to you. Permit me again to express my heartfelt sympathy.

Major General J. A. Ulio
The Adjutant General's Office
Washington 25, D. C.

Dear Sir:

In your letter of November 19, 1944, confirming your telegram of a few days earlier, regarding my son, Corporal Elmer Q. Siddall 12,025,255, Corps of Engineers, who had at that time been missing five months you state: "An official message has now been received which states that he was killed in action on the date he was previously reported missing. If additional information is received it will be transmitted to you promptly."

I have received no details whatever concerning my son, and naturally I would like to know just what did happen.

What proof have they that he was really killed?

Where was he killed?

How was he killed?

Where is he buried?

What trace did they find of him?

What became of his bill-fold with our pictures and his May wage check (if he was paid his May wages?)

Can you please put me in touch with his Commander, his Captain, or his Chaplain. I must get in touch with someone who knows something about him.

Respectfully yours

/s/ Margaret V. Siddall

European War Dead

The Department of the Army has released the following list of 428 New York State World War II dead, with names and addresses of next-of-kin, who were returned to the United States from Europe aboard the United States Army Transport Lawrence Victory.

Armed forces dead originally interred in temporary military cemeteries at Epinal, Ste. Mere Eglise, La Cambe and St. Juan, France, are among those being brought back to this country aboard the Lawrence Victory.

Directors of Veterans' Service Agencies and State Veteran Counselors should make certain that all possible assistance, as discussed in the Division of Veterans' Affairs Manual, "Assistance to Families of Deceased Veterans," has been given to the next-of-kin of these honored dead and that, if desired, all local resources have been made available to assist with reburial.
