RECORD OF ACTION ON S SGT WATTERS, PVT KING, PVT ZWIR, &  
PVT PETERSEN

S/Sgt Watters made a parachute jump on D Day landing across the DOUVE RIVER North-east of ST SAUVEUR LE VICOMTE. Sgt Watters and Pvt Zwir stayed in this area from 6 June to 13 June. During this time they were surrounded by Germans. They made one attempt to go North, but ran into a machinegun emplacement and well fortified positions. Upon knowing this they decided to go back to their positions again. All this time they saw German troops maneuvering back and forth, also seeing a thirty-car troop train coming in from the North. These troops were unloaded in this area. On the fifth and sixth day our planes bombed the town of ST SAUVEUR I VICOMTE which led us to think the Germans had left the town. Sgt Watters and Pvt Zwir decided to cross the river and enter the town. They were brought across the river by five French civilians. After crossing the river they saw the Germans retreating toward the DOUVE RIVER, which led us to believe our troops were coming through. We then stayed at this point until our troops arrived. We were then picked up by the 505th CT and sent to Div CP. En route to Div CP we picked up Pvt King and Pvt Petersen, who were staying in an area close by.

Pvt King reports on or about the third day of his stay in this area, which was North of ETIENVILLE. About fifty American paratroopers were marched by under heavy German guards. The civilians reported these troopers were being marched to VALOGNES.
