GRADE AND OR SERVICE

RECORD OF ACTION ON LT CAPPA, CO "B"

Dropping at approximately 0208 on D-Day I landed near the center of ST SAUVEUR LE VICOMTE. Failing to find any of my stick before daylight I was forced to hide. With the help of the kind French my chute was buried and I hid in the upstairs of a bicycle shop. They fed me for about five days until they evacuated the town. Groups of the enemy were always in my vicinity making it difficult to leave the town. I remained in the town until the Americans crossed the DOUVE RIVER. The altitude we jumped from seemed high (around 600 ft) and we were fired upon coming down. Enemy activity in the town was much without heavy armor. The troops did not seem first line. French counted 153 paratroopers prisoners brought through the town.

RECORD OF ACTION OF LT CAPPA, CO "B"
(From July 2nd to July 5th)

On the afternoon of 2 July 1944 at 1400 Lt Cappa and his platoon left Bn area and attached to 505 Inf. Upon arrival at 505 Inf Lt Cappa was assigned the mission of sweeping roads for mines and clearing obstacles to VARENQUEBEC, FRANCE. At this time Lt Cappa assigned Cpl Smith and 3 men to Co B, 505 Inf, to neutralize bridge already prepared for demolition, also sweep for mines. With infantry support they completed their mission.

At 0600 Lt Cappa and his platoon left to sweep roads in the 505 sector. At 0730 Lt Cappa's jeep with supplies was hit and blown up by 88mm shell. This delayed the movement until 1100 at which time Lt Cappa received a resupply from the rear area. This was done under heavy shell fire. No one was hurt during the incident. At 1430 Lt Cappa and his platoon reached VARENQUEBEC. This was done under constant shelling. From VARENQUEBEC the platoon went Northwest and swept for mines until 1700. At 1900 the platoon proceeded to continue to sweep for mines West on the Northwest road until 2215. Then moved into bivouac for the night.

At 0400 July 4th Lt Cappa and his platoon moved out attached to 1st Bn of 505 for an attack South. This mission was to sweep roads which started at 0645 following the attack. 0930 Lt Cappa and his platoon returned to Bn CP after being turned back by small arms and heavy artillery fire. At 1030 the platoon attempted this mission once more. Mission completed this time up to the point where roads were unpassable. At this point the platoon ran into artillery fire causing one casualty. Mission was completed and the platoon returned to bivouac area.

At 1250 July 5th the platoon was relieved fr 505 Inf and returned to 307 Engr C
