RECORD OF ACTION OF CPL BORGES & PVT STEVENS

On the morning of 6 June Cpl Borges and Pvt Stevens came in with the first wave. Due to chutes opened up we did not jump, and went back with the plane. On the morning of 7 June at 0630 Cpl Borges & Pvt Stevens came in with the resupplies and were dropped in the vicinity of PICAUVILLE in an orchard, landing in trees. Six other paratroopers from the 505 were dropped there, all have been killed, two being strung up in trees by the Germans. Cpl Borges and Pvt Stevens were surrounded at this spot with MG and snipers for four days. All they had were 3 D rations each and 1/2 canteen of water. After water was gone they collected the dew from the brush with their handkerchiefs and wet their lips. Besides being surrounded by the enemy we also had artillery shells bursting all around.

On 9 June two Germans came down the road with a MG and tripod, came into the orchard and set up the gun 8 ft away from the ditch we were in. These Germans sat there and ate & smoked. After being there for about twenty minutes they moved out. During our time there we tried to get away one time, but found themselves trying so we came back in and stayed there until the morning of 11 June at 0900 when the 90th Div pushed through and we got out with safety. We were too weak to get along so they took us to their CP and kept us there and fed us. Later on in the day they returned us to our unit.
