PART A

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.

2. An amount not to exceed $75 is allowed by the Government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.

3. The $75 maximum allowance by the Government toward interment expenses includes but is not limited to the payment of one or more of the following items: Hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

4. Reimbursement by the Government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the $75 maximum must be borne by the person who incurred or paid the additional expenses.

PART B

1. When the remains are delivered to you at Government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2 below.

2. Reimbursement of transportation expenses is allowed only when the cost to the Government to deliver the remains to you is LESS than what it would have cost the Government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the Government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.

3. Reimbursement by the Government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Dear Mrs. Hudson:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. Dear Miss Hudson: 293

I wish to acknowledge your letter of 9 April, concerning the personal effects of Private Arlan A. Hudson.

A thorough check of Bureau records and the personal effects records of men who served in the European Theater Area fails to indicate the existence or disposition of any personal effects belonging to Private Hudson.

Since he was an infantryman, likely he carried all his belongings with him. In spite of precautions, it was sometimes impossible to recover personal property in battle areas because of the severity and inevitable confusion of combat operations or the presence of enemy souvenir hunters prior to the time that United States military personnel could reach the scene and find, identify, and safeguard the property.

However, as it is our desire to be of all possible assistance, I have, today, sent a letter to the Organization Records Branch, St. Louis, requesting that check of the unit records be made for any information which may be available.

Upon completion of our investigation, you will be informed of the result.

Sincerely,

Honorable Alexander Wiley
United States Senate

Dear Senator Wiley:

Acknowledgment is made of your inquiry, dated 28 August 1946, concerning the burial location of Private Arlan A. Hudson.

The records of this office show that the remains of Private Hudson are interred in the United States Military Cemetery, Margraten, Holland, Plot I, Row 4, Grave 91. This cemetery is located ten miles west of Aachen, Germany.

Legislation has recently been enacted into law providing for the return of the remains of all American dead who gave their lives overseas and for whom verified burial information has been received. Return of the remains of the deceased will be made by area and not by individual case. However, due to the steel shortage which prevents the delivery of caskets, it will be impossible to start repatriation activities at this time.

This office appreciates the desire of Private Hudson's mother to have his remains returned, however, the official records disclose that the legal next of kin is his wife, Mrs. Shirley S. Hudson. Therefore, before the remains of Private Hudson are returned to this country, his wife will be contacted through a Letter of Inquiry to ascertain her desire as to the final resting place of her husband.

Until the replies are received from the Letters of Inquiry, it is impossible to say which cemeteries will be permanently established overseas.

Please extend my sincere sympathy to the members of Private Hudson's family in their great sorrow.

FOR THE QUARTERMASTER GENERAL:

Sincerely yours,

hmj (rah)

Dear Miss Hudson:

I wish to acknowledge your letter of 9 April, concerning the personal effects of Private Arlan A. Hudson.

A thorough check of Bureau records and the personal effects records of men who served in the European Theater Area fails to indicate the existence or disposition of any personal effects belonging to Private Hudson.

Since he was an infantryman, likely he carried all his belongings with him. In spite of precautions, it was sometimes impossible to recover personal property in battle areas because of the severity and inevitable confusion of combat operations or the presence of enemy souvenir hunters prior to the time that United States military personnel could reach the scene and find, identify, and safeguard the property.

However, as it is our desire to be of all possible assistance, I have, today, sent a letter to the Organization Records Branch, St. Louis, requesting that check of the unit records be made for any information which may be available.

Upon completion of our investigation, you will be informed of the result.

Sincerely,

P. U. MAXEY
