Dear Mr. Nugent,

Reference is made to the interment of your son, the late Private First Class Harvey L. Nugent, and his comrades, which was made in Graves 496 and 497, Section 79, Jefferson Barracks National Cemetery, St. Louis 23, Missouri. It is regretted that because of the fact it was impossible to identify individually the remains of your son, you were deprived of the comfort and consolation which you might have been afforded by interring his remains at home.

It is felt that you might like to have the inclosed photograph of the stone which has been placed at the grave.

You are assured that the grave will always be cared for in a manner fully commensurate with the sacrifice your son has made for his country. Any desired information concerning the grave or the cemetery will be furnished upon request.

Sincerely yours,

Pfc. Harvey L. Nugent, 39 388 223
Group Burial
United States Military Cemetery
Margraten, Holland

Mr. J. Harry Nugent
3112 West Ninth Street
Spokane, Washington

Dear Mr. Nugent:

The Department of the Army desires that you be given the most recent information concerning your son, the late Private First Class Harvey L. Nugent, ASN 39 388 223.

His remains were initially buried with others of his comrades who met their death in the same incident. Since that time the American Graves Registration Service has, without success, explored every clue that might lead to individual identification of any of the remains, and has at last been forced to conclude that only a group identification of the remains is possible. They are now casketed and, pending return to the United States, are being held at the United States Military Cemetery Margraten, Holland.

All remains in this group will be brought back simultaneously for interment in Jefferson Barracks National Cemetery, located at Saint Louis 23, Missouri.

This plan for the burial of all the known groups of men for whom individual identity cannot be established in one of our country's shrines is based upon the provisions of Public Law 383, 79th Congress, as amended by Section 3, Public Law 368, 80th Congress. Final interment in a National Cemetery in the United States where perpetual care will be given the graves, is fitting and proper. This particular National Cemetery was selected in order that no undue burden of travel might be placed on any one family wishing to attend the services.

You and the next of kin of the other men will be informed of the date and time of the final interment sufficiently in advance to permit you and any interested persons to attend the ceremonies. In order that you may receive information concerning these final rites, it is essential, in case you change your address, that you promptly inform the Commanding Officer, Chicago Quartermaster Depot, Attention AGRD, 1819 West Pershing Road, Chicago 9, Illinois.

Sincerely yours,

United States Military Cemetery
Margraten, Holland

Dear Mr. Rugeut:

The Department of the Army desires that you be given the most recent information concerning your son, the late Private First Class Harvey L. Rugeut, ASN 39 308 223.

His remains were initially buried with others of his comrades who met their death in the same incident. Since that time the American Graves Registration Service has, without success, explored every clue that might lead to individual identification of any of the remains, and has at last been forced to conclude that only a group identification of the remains is possible. They are now cleaned and, pending return to the United States, are being held at the United States Military Cemetery Margraten, Holland.

All remains in this group will be brought back simultaneously for interment in Jefferson Barracks National Cemetery, located at Saint Louis 25, Missouri.

This plan for the burial of all the known groups of men for whom individual identity cannot be established in one of our country's shrines is based upon the provisions of Public Law 368, 79th Congress, as amended by Section 3, Public Law 368, 80th Congress. This particular National Cemetery was selected in order that no undue burden of travel might be placed on any family desiring to attend the services.

You and the next of kin of the other men will be informed of the date and time of the final interment sufficiently in advance to permit you and any authorized persons to attend the ceremonies. In order that you may receive the information concerning these final rites, it is essential, however, that you promptly notify the Commanding Officer, Chicago Quartermaster Depot, Attention: [illegible] 1819 West Pershing Road, Chicago 9, Illinois.

Dear Mrs. Nugent:

The Department of the Army is desirous that you be given the most recent information concerning your husband, the late Private First Class Harvey L. Nugent.

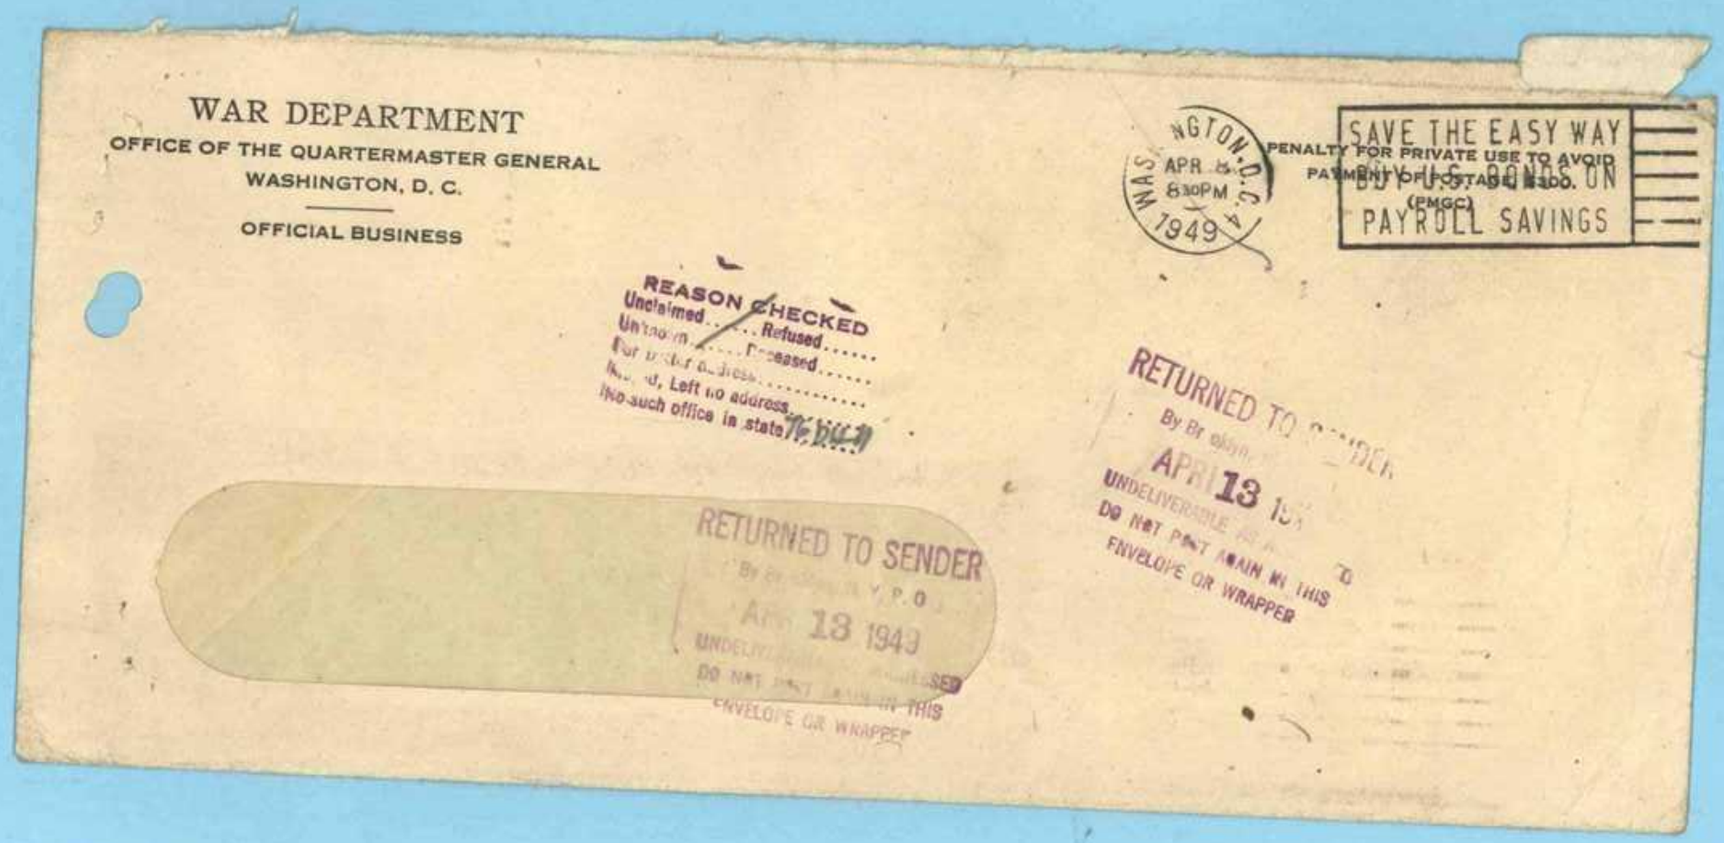

With deep regret, I must inform you that, although the remains of your husband have been recovered, it was not possible, because of the manner in which he met his death, to identify his remains individually.

According to our records, the plane on which your husband was a passenger crashed in the vicinity of Fluren, Germany, on 24 March 1945, during the offensive to force a crossing of the Rhine River, below the Netherland Border. Of the nineteen men manifested aboard, one survived; the other eighteen died as a result of the casualty. Their remains were recovered from the wreckage of the plane by our American Graves Registration Service and removed to the United States Military Cemetery Margraten, Holland, where the remains of twelve of the deceased have since been individually identified.

Although the remains of the other six decedents have been processed through a Central Identification Laboratory by qualified anthropologists, medical, dental, and laboratory technicians in an effort to establish individual identification, I regret that the condition of the remains precluded the possibility of individual identification. They have, therefore, been designated as a group of which the collective identity alone is known. The remains of these honored dead are presently resting in the United States Military Cemetery Margraten, Holland, pending final disposition.

In accordance with the policy of the Department of the Army, the remains of all group burials, of which the collective identity alone is known, will be returned to the United States for final interment in a National Cemetery. The National Cemetery will be designated by The Quartermaster General, and special consideration will be given to the geographical location of the cemetery in order to distribute, as equally as possible, the travel burden upon all next of kin involved. All next of kin will be informed at a later date of the National Cemetery designated and will also be notified of the time of the services.

Mrs. Alice Nugent
7723 11th Avenue
Brooklyn 28, New York

Dear Mrs. Nugent:

This refers to your recent inquiry regarding the personal effects of your husband, Private First Class Harvey L. Nugent.

I am sorry to report that the Army Effects Bureau has not yet received any of his property. It is reasonable to assume, however, that his belongings ultimately will reach here, as all War Department agencies have instructions to forward the personal effects of military personnel to this Bureau for disposition. Transportation delays generally are encountered in delivery of effects, and considerable time should be allowed for the return of property from overseas.

Promptly upon receipt here of any of your husbands' belongings, disposal action will be taken.

Yours very truly,

HARRY NIEMIEC
