The upper photo is the Blossville Cemetery taken during the first few days. The lower photo is taken June 7 1944 0850 hours by photographers in aircraft 42-100642 piloted by 2nd Lt. Robert Ingram of the 91st TCS, serial 3 chalk 34. X represents where the Legg Cemetery was started in the upper photo. Y is the spot the photo was taken from, either from the wing of the Horsa or a jeep as the view is elevated. If you notice the rows of graves in the photo, there is space between the rows. Legg is the man in the foreground actually doing work, the rest of the soldiers in the photo have their hands in their pockets.

In the upper photo if you look at the corner where the two tents are pitched, you'll see trees on both corners of the angle. The only spot in the Blossville field where the cemetery was started where this occurs is where the X is located. The upper photo is from the 82nd AB Museum at Bragg. Dave Berry provided the lower photo.

The view in the lower photo is from the SW looking NE. The highway to St. Mere Eglise is in the middle of the photo. The upper photo was taken from the SE looking NW. Judging by the shadows it appears to be mid-day.

HIGHLIGHTS AND OBSERVATIONS TO ASSIST FUTURE PLANNING

1. Graves Registration units need more O55 clerks skilled as typists.
2. Graves Registration platoons should be self-sufficient as to messing facilities.
3. More attention should be paid to identification of unknowns by qualified identification teams using fingerprinting and other recognized techniques.

Dear Mrs. Jahn:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

Dear Mrs. Jahn:

This refers to your recent letter inquiring about the personal effects of your son, Private Robert F. Jahn.

I am sorry to report that the Army Effects Bureau has not yet received any of your son's property. There is inclosed an information circular which will give you some idea of the time which may elapse before personal effects arrive here from overseas.

You will note from Paragraph 3 of the circular that this Bureau needs certain information in order to make disposition of property. You may furnish the necessary information at this time, if you wish, so that your son's effects may be forwarded promptly upon receipt here.

For your convenience, there is inclosed a self-addressed return envelope which requires no postage.

Dear Mrs. Jahn:

Thank you for the information recently given the Army Effects Bureau in connection with disposal of the personal property of your son, Private Robert F. Jahn.

I am inclosing a check for \$8.07, which is the only property belonging to him received at this Bureau.

Please acknowledge receipt of the check by signing one copy of this letter in the space provided and returning it to this Bureau. For your convenience, there is inclosed a self-addressed envelope which needs no postage.

Dear Mrs. Jahn:

This will acknowledge your letter of October 11, concerning the personal effects of your son, Private Robert F. Jahn.

The Army Effects Bureau has now received funds in the amount of \$8.07 which belonged to him. This is the only property of Private Jahn received here to date; however, money ordinarily is transmitted from overseas by mail, in advance of other personal effects.

To make proper disposal of these funds, it is necessary that we have certain information regarding your son's family. I will appreciate your informing us whether he was married and, if so, the name and address of his widow; also the name and address of his father, if he is living.

In addition, if Private Jahn left a Will which has been probated, the original or a certified copy of the Letters Testamentary should be sent here for inspection. Any papers that you send us will be returned promptly.

For your convenience in replying, there is inclosed an addressed envelope which needs no postage.

Yours very truly,
